

Unique Hydraulic Systems, Hydraulic Power Units and Hydraulic Cylinders

About Us

We are a worldwide, diversified company.

Maritime Hydraulic and our sisters companies (MHD Offshore USA and MHD Offshore Asia-Pacific) would like to thank you and take this opportunity to introduce ourselves to you.

We collaborate on complex multidiscipline projects in all major industries, especially those with a challenging technological aspect, by developing a unique solution based on specialized metal fabrication and custom engineered equipment.

Our client driven solutions together with unparalleled customer support set us apart from others.
